

tato collection

denis santachiara, enrico baleri | 1995

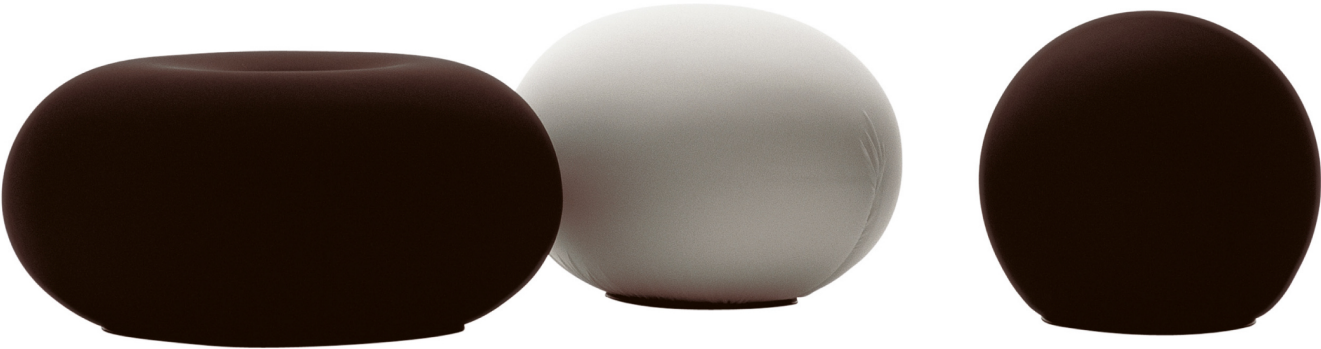

ironic design, appeal of the shapes
and the colourful covers, infinite versatility

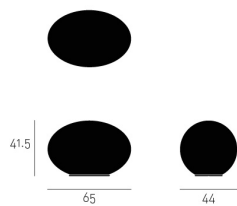

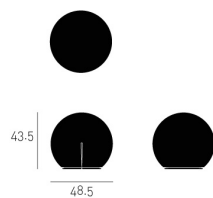

ds855
tato

Pouf or footrest in elliptical shape (tato), spherical shape (tatino), round shape for two or more seaters (tatone), curved shape for two or more seaters (tato bean or tato bonbon), lens shape (lunella) in CFC-free flexible polyurethane, with internal anatomical rigid structure and plastic base. The removable cover is available in three different types of bi-elastic fabric, each one available in many colours.

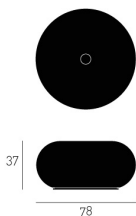

materials:
cover: technical fabric
structure: soft polyurethane
