zebrano

La struttura portante girevole è in acciaio inox satinato completa di antiscivoli in materiale termoplastico neutro. Scocca curvata in multistrati impiallacciata in legno zebrano con verniciatura anti-ingiallente al naturale oppure laccato lucido nei colori in gamma. Imbottitura in poliuretano espanso. Il rivestimento può essere in pelle. Il rivestimento è fisso e non svestibile.

Swivel base in satin stainless steel, complete with non-slip elements made of thermoplastic materials. Frame in curved multilayer wood with zebrano wood veneer treated with non-yellowing varnish or glossy lacquer available in a range of colours. Stuffed with polyurethane foam. Cover lining is available in leather. Covers are fixed and cannot be removed.

La structure portante pivotante est en acier inox satiné. Elle comprend des éléments antidérapants en matériau thermoplastique neutre. Coque cintrée en multiplis plaqués en bois zébré avec vernis anti-jaunissement naturel ou laqué brillant dans les couleurs de la gamme. Garnissage en polyuréthane expansé. L'habillage peut être en cuir, fixe et non déhoussable.
