RECOMMENDED FABRICS AND LEATHER

In order to guarantee the quality of the product, Offecct chooses to take responsibility for purchasing fabrics and other upholstery materials. In certain cases, Offecct reserves the right to refuse to use even recommended fabric if the final result of the specific product is not expected to meet Offecct's quality requirements. Ecolabelling Sweden certifies that fabrics labelled with the EU Ecolabel fulfil European environmental labelling requirements for textiles.

Offecct leather: Black leather. Standard leather: Elmo Soft, Nordic or equivalent, depending on product. Leather has a natural irregularity and individual marks due to healed scratches and insect bites. This should be regarded as proof of authenticity and marks of quality, indicating that the animals led a good life outdoors.
