

# Elide + Luna coffee table design: Alexander Lorenz

Famiglia di sedie e poltrone dall'impronta borghese dove le linee esprimono il meglio i concetti di sobrietà e stile.

Elide is a family of bourgeois chairs and armchairs where lines give extreme merit to sobriety and style.

Arredano con semplicità, ma senza trascurare la cura dei dettagli capaci di impreziosire gli ambienti più diversi.

Simplicity and tradition go hand in hand with the care for the detail, which can embellish the most diverse environments.
